

CommunityCare HMO

HEALTH-BOOSTING, AFFORDABLE HMOS WITH EXTRA FLEXIBILITY

CommunityCare HMO lets small business groups in L.A., Orange and San Diego counties offer a Silver or Bronze level plan – **at an affordable rate!** Employees gain the benefits that put health first. And they have more choices because CommunityCare HMOs have fewer restrictions for specialist care and urgent care than other HMOs.

Network advantages

Tailored medical and pharmacy networks offer reduced costs and a wide range of care options.

- Over 15,900 physicians and specialists as well as 78 hospitals in the CommunityCare HMO tailored network!
- Advanced Choice Pharmacy Network, our tailored pharmacy network, includes CVS, Walmart, Costco, Safeway, Vons, and more!

More ways to access care

CommunityCare HMO allows more flexibility for specialist care and urgent care – plus a range of other care options. Members can:

Choose a primary care physician (PCP) contracted with the CommunityCare tailored network to coordinate their care.

- Their PCP can refer to any specialist in the CommunityCare Network
- Care doesn't need to stay within the PCP's participating provider group (PPG)

Seek care at any urgent care facility in the CommunityCare Network – even those outside their PPG.

Visit MinuteClinics (available at some CVS locations) for convenient care for common illnesses, wellness screenings, vaccinations, and more.

Use the Select Telehealth Services Provider identified on your ID card for a \$0 copayment for telehealth visits to treat many non-emergency common illnesses.
