# Introduction

This directory provides a list of Health Net's Vision current network providers. Eye wear benefits for eyeglasses and contact lenses are available through participating providers of Health Net Vision.

Not all Health Net members have the supplemental benefit that includes additional eye wear benefits. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

### **Obtaining Eye wear Benefits**

For Health Net Seniority Plus Employer (HMO) members.

Your routine eye examination is covered as a basic medical benefit through your medical plan. Coverage for eyeglasses or contact lenses is only available through participating providers of Health Net Vision.

Following your exam, obtain your current lens prescription, then have the vision prescription filled at any Health Net Vision participating provider. You may receive your eye wear from your Health Net Vision optometrist or ophthalmologist only if he or she is a participating provider of Health Net Vision.

The "network providers" listed in this directory have agreed to provide you with your Vision coverage. You may go to any of our network providers listed in this directory; however, some services may require a referral. Other providers are available in our network. If you have been going to one network provider, you are not required to continue going to that same provider.

Some of your Health Net Vision plan services are covered only if your network provider gets approval in advance (sometimes called "prior authorization") from us. Please refer to your Health Net plan Evidence of Coverage (EOC) for more information.

For directories listing other Health Net participating network providers, facilities and/or pharmacies, call our Member Services department at 1-800-275-4737. TTY users should call 711. From October 1 through March 31, you can call us 7 days a week from 8:00 a.m. to 8:00 p.m. From April 1 to September 30, you can call us Monday through Friday from 8:00 a.m. to 8:00 p.m. A messaging system is used after hours, weekends, and on federal holidays. No todos los miembros de Health Net tienen el beneficio suplementario que incluye beneficios adicionales para anteojos. Para obtener información detallada acerca de su cobertura de cuidado de la salud, consulte su Evidencia de Cobertura (EOC).

### **Obtención de beneficios para anteojos**

Para miembros de Health Net Seniority Plus Employer (HMO).

Su examen ocular de rutina se encuentra cubierto como un beneficio de cuidado médico básico a través de su plan de cuidado médico. La cobertura para anteojos o lentes de contacto solo está disponible a través de los proveedores participantes de Health Net Vision.

Tras realizarse su examen, obtenga su receta para lentes actual y, a continuación, llene la receta de su cuidado de la visión en cualquier proveedor participante de Health Net Vision. Puede recibir sus anteojos o lentes de contacto de parte de su optometrista u oftalmólogo solo si es un proveedor participante de Health Net Vision.

Los “proveedores de la red” enumerados en este directorio han acordado proporcionarle su cobertura de Cuidados de la Visión. Puede ir a cualquiera de nuestros proveedores de red enumerados en este directorio; sin embargo, algunos servicios pueden requerir una derivación. Hay otros proveedores disponibles en nuestra red. Si usted ha estado consultando un proveedor de la red, no tiene la obligación de seguir consultando al mismo proveedor.

Algunos de los servicios del plan Health Net Vision están cubiertos solo si su proveedor de la red recibe nuestra aprobación por adelantado (a veces denominada “autorización previa”). Consulte la Evidencia de Cobertura (EOC) de su plan de Health Net para obtener más información.

Para los directorios que enumeran otros proveedores, instalaciones y/o farmacias participantes de Health Net, llame a nuestro departamento de Servicios para Miembros al 1-800-275-4737.
